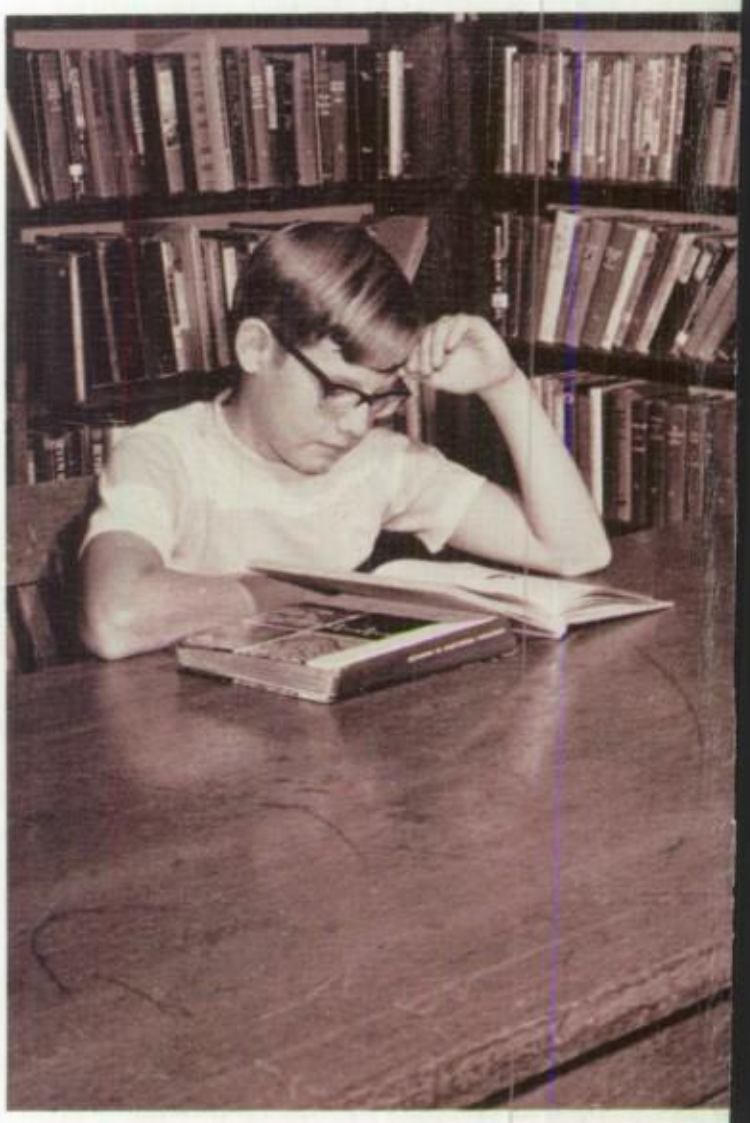
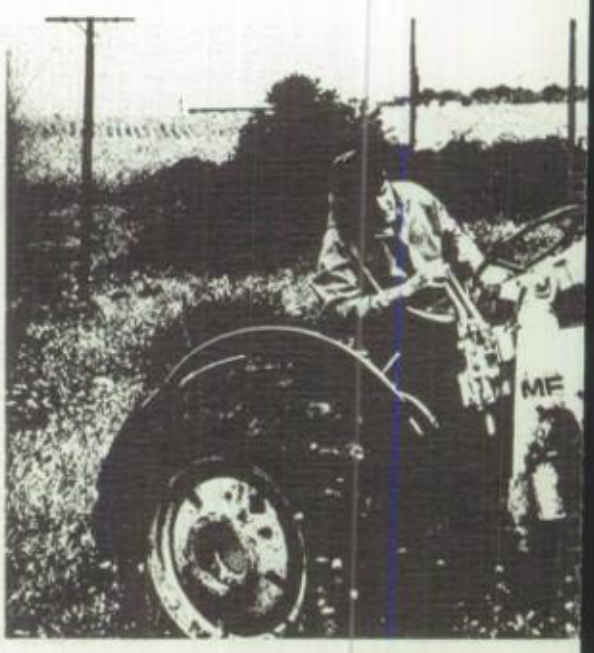
BERVALON

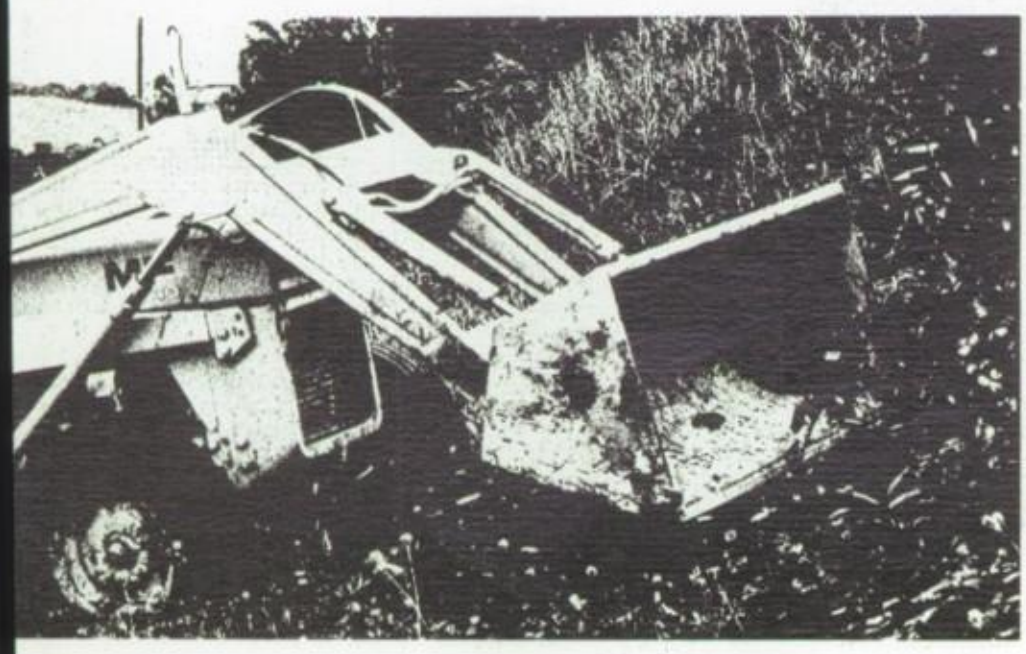
As we seniors look back at the past twelve years, we realize that we haven't reached our full potential. We have gone through school and completed the required courses without knowing how much these years will mean to our future and to the fulfillment of our dreams. We, the Class of 1970, hope you as underclassmen are able to say with us . . .

We Have





A Dream



But . . .

You Must Prepare Yourself In The Present To Meet The Challenges Of The Future.

With This In Mind We

Supervising Principal

"The theme for the Bervalon is 'We Have a Dream.' I'm sure we all have our dreams. I have many.

One of the definitions of a dream is a fond desire. It is my fond desire that all the students of our school enjoy the fellowship of their classmates and teachers and take advantage of all the educational opportunities offered them. School is for fun and preparation for the future. It is my hope that all students learn how to live fruitful lives and enjoy themselves in their daily work."

– Mr. Walter Atalski

High School Principal

MR. ANTHONY CUGINI

"The worth of any school can best be measured by the students it produces. It is my wish that the graduates of 1970 will use the knowledge and skills they have acquired here to assume roles of leadership in the community and nation. I also honestly hope they will become patriotic citizens and help to preserve the United States as a bulwark of democracy and freedom."

"Attending elementary school is an important event in every child's life. Most children look forward to it with great enthusiasm. The best way this enthusiasm can be reinforced with each child is through the united efforts of the home and school which are necessary to create pleasant and meaningful learning experiences."

Administration and Board members discuss school policies.

To you, the members of the Senior Class of 1970, I bring you greetings. You are coming to the close of your high school career, and will be looking ahead and dreaming of the future. As you dream of the days ahead, remember that the future will hold many problems which you must be able to solve and many difficulties that you must overcome. Your high school days are but a stepping stone to higher ideals and nobler aspirations in life, and I hope they will be the key to a rich and full life for you. I wish for all of you the very best of what the future holds for you.

Class History

Once as freshmen we dreamed of the future; now these dreams have become part of our past. To help us fulfill our dreams we elected Charles Baker, Bev Mills, Sandy Bowser, and Mary Mack as our freshman class officers. The theme of our class party was Autumn Paradise. Our participants in All-County Band were Cindy Emerick, James Landis, and Dwight Smith.

As sophomores we elected Dwight Smith, Sandy Bowser, Joyce Engleka, and Mary Mack as our officers. Our Homecoming attendant was Bev. Mills. Our class party followed a gangster theme and Joyce Engleka and Dwight Smith were chosen as Bonnie and Clyde. Cindy Emerick, James Landis, and Dwight Smith again participated in All-County Band. Timmy Leydig was the recipient of the Sophomore Scholastic Award on Awards Day.

The beginning of our junior year was highlighted by the arrival of our class rings. Joyce Engleka represented our class both as President and as Homecoming attendant. Serving along with her as officers were David Maust, Joyce Smiley, and Edwin Smith. Dennis Blubaugh and James Landis attended All-County Band. Barbara Stiffler was honored with her election as Region IV FBLA president. Cindy Emerick, Linda Wyant, Timmy Leydig, and Dennis Blubaugh were selected to attend All-County Chorus. Dennis, along with Ann Ream, participated in both District and State Chorus. Our junior class party consisted of a white elephant auction and a dance by the Sunshine Patriots. The last months of our Junior year were filled with the preparation and presentation of our class play, "Our Town," and preparing for the Junior-Senior Prom set to the theme "Something Southern."

The final step of our dream quickly came upon us and we chose Richard Cober, Richard Shaffer, Barb Stiffler, and Susan Weyant to lead us through our senior year. Sue Hartman was chosen to be our Homecoming Queen with Sandy Bowser and Ann Ream as her senior attendants. We presented "The Nervous Wreck" as our senior class play. Charlie Baker, Timmy Leydig, and Dennis Blubaugh were our representatives in the Johnstown Scholastic Quiz. Ann Ream was chosen as Maple Princess to represent Berlin in the Maple Queen Contest. These activities, along with many others, have helped us to fulfill our dreams to the present. However, we realize that we have much more to accomplish as we look to the future.
